Credit Based Evaluation System

1. Examination Committee (EC):

1.1The constitution of EC:

The structure of EC is as follows

a) Principal (Chairman)

b) Controller of Examinations (Member Secretary)

c) Two experts from other autonomous colleges

d) One teaching faculty from each department as Department Examination

Society Of St. Francis Xavier, Pilar

(/)

ious duties in conducting

ution of examinations, assessment compilation

of results, preparation of Gazettee and declaration of results.

2. EC shall prepare the detailed time table of examinations as per the schedule approved by the

academic council.

3. Conduct audits related to examinations in coordination with IQAC

4. The EC shall recommend examination reforms and shall implement them after approval of

academic council

5. The EC shall arrange for strict vigilance during the conduct of examination so as to avoid use of

unfair means by the students, faculty, and invigilators.

6. Complaint Redressal Committee (CRC) shall be an independent committee consist of at least

three members appointed by the Chairman (EC) as and when required to deal with t complaints related to the conduct of examinations related to examinations.

7. The recommendations of the CRC shall be approved by Chairman, EC to take appropriate

disciplinary actions in the concerned matter. The disciplinary actions shall be endors by the

EC.

8. Solve student grievances if there is a representation by students related to examinations

9. For any meeting of EC, one-third members shall constitute a quorum. However, the same

meeting shall be held after 30 minutes of the scheduled time, for which, no quorum shall be applicable.

10. The members of EC shall meet at least twice during the academic year and at oth times as and

when necessary.

the institute from time to time.

13. COE shall be assisted by the department exam coordinators (DEC) for carrying ou
the following
activities during examinations.

i. Paper Setting and Printing

ii. Examinations (Theory)

iii. Examinations (Practical, Project, Online examinations)

iv. Assessment of answer books

v. Preparation and declaration of provisional grades

vi. Preparation and declaration of final results

14. Any other examination related work

2. Types of Examinations and Credit Structure:

NEP 2020 proposes that HEIs should adopt continuous and comprehensive evaluati
rather
than high stake examinations. Continuous and comprehensive evaluation embraces
horizontal
assessment modes instead of one single vertical mode. It can be used to assess the
overall
development of students, for example, critical thinking, problem-solving ability, righ
application of
knowledge, and adherence to ethics. NEP 2020 recommends a criterion-based gradi
system that
emphasises assessment of student achievement based on the learning goals for eac
programme. A
criterion defines the characteristics or traits to be judged. These are derived from th
learning
outcomes. Grading can be designed to measure the degree of achievement on each
criterion thus
making assessments more meaningful.
Fr CRCE has adopted robust, yet flexible, Outcome Based Evaluation system which is

Society Of St. Francis Xavier, Pilar

outcome-based performance

petencies. The assessment system

Learning outcomes drive curriculu

(/)

evaluation. This leads to the identification of outcomes, competencies, performance indicators and finally assessment. Any evaluation and assessment system must test different levels of cognitive

attainment. Across these levels, mental skills (knowledge) are tested which deal with how a student

acquires, processes, and utilizes knowledge. The levels represent a continuum of increasing

cognitive complexity—from remembering to creating to developing sustainable solutions.

Educational research suggests that if several different assessments are used, it increases the

probability that an accurate assessment of student learning will emerge. Furthermo assessments

must be continuous, as also suggested in NEP2020, and include a variety of assessments for

continuous and complete feedback.

2.1 List of Examinations:

The National Education Policy 2020 emphasizes formative and competency-based assessment for

developing higher-order thinking skills such as creativity, critical thinking and analys The

assessments implemented by Fr CRCE in line with NEP-2020 help the learner to track and improve

the learning outcomes/ approaches and promote holistic development of the learne

Society Of St. Francis Xavier, Pilar

Following examinations are conducted in ODD as well as EVEN semester

1. ISE: In-Semester is continuous assessment of learning outcomes. It is sub-divided into two:

ISE-1 and ISE-2.

2. MSE: Mid-Semester Examination to be conducted mid of the semester

3. ESE: End-Semester Examination to be conducted at the end of the semester

4. Special Examination: Special Examination with conditions apply

5. Re-Examination: Conducted for students failed in previous examinations

3.0. Details of Examinations:

3.1 In Semester Evaluation (ISE):

ISE is the continuous assessment for a course and it shall

be conducted exclusively by the course teacher, who shall spell out components of I in advance,

maintain transparency in its operation, declare evaluation results in time and show marks obtained to

the students after the evaluation is completed. There are various modes recommen for conducting

ISE like Open book examination, assignments, quiz, oral, group discussion, project, presentation,

contests, model making etc.

ISE assessments carried out before MSE are called as ISE-1 and ISE assessments car out after

MSE are called as ISE-2. Course teacher must submit ISE-1 marks mid of the semeste

Society Of St. Francis Xavier, Pilar

at the end of the semester. Typical

...nds on the course. Teachers should

...ments of ISE.

(/) ➢ MSE will be normally conducted in the mid of the semester. MSE question paper will be based

on 40-50% of the syllabus and it will be conducted by the respective department. Department

should conduct MSE according to the schedule published by the Examination Center the

college. Typically question paper will be of 30 Marks for 90 Minutes duration.

➢ Those students whose name is appeared in the defaulter list received from the department will

not be allowed to attempt MSE.

3.3 End Semester Examination (ESE):

➢ ESE will be conducted at the end of the semester and it will be based on the entire contents of the

syllabus. Typically question paper will be of 100 Marks for three hours duration (30% weightage). For few Laboratory based courses, practical or oral can be taken as an ESE based on

the entire syllabus. ESE will also be conducted by the department according to the schedule

published by the Examination Center of the college. The Examination Center shall get the

examination schedule approved by the Examination Committee before displaying it.

➢ Those students whose name is appeared in the defaulter list received from the department will

not be allowed to attempt ESE.

After the publication of the result of each ESE followed by Special Examination, the examinees

will be provided with a cumulative grade card reflecting grades obtained and credits earned in

each course along with SGPI in that semester and CGPI at end of every semester.

3.4 Special Examination:

either in MSE or ESE are allowed to

o medical reasons or those student

(/)

as "failed" in the recently conducted ESE can attempt Special Examination. This examination is

also allowed to those students who have passed in a course and wish to reappear ir examination

for the "Grade Improvement" purpose.

➢ All students who appear for special examination will have a grade penalty of one grade.

➢ Conducted after declaration of ESE result. The Odd Semester (I/III/V/VII) Special Examination

shall be held in the first and second week of January and the Even Semester (II/IV/VI/VIII)

examination in the first and second week of July. Students must fill the examination form to

appear for Special exam and pay the requisite fees. Only those students who fill up 1 form

within given time limit will be allowed to appear for special exam. This applies for Grade

improvement applications as well. The notice for this will be circulated by exam sect clearly

mentioning the dates to fill up the form.

➢ Special Examination question paper will be for total 100 Marks three hours durati (60%

weightage) based on entire syllabus. All students who attempt special examination v have one

grade penalty.

3.5 Re-Examination:

➢ Conducted for the students failed in ESE and/or Special examination. Students engaged in

malpractice can appear only in the Re-examination. Students detained in any course with

Society Of St. Francis Xavier, Pilar

er in either MSE or ESE are allowed

☰

pt in re-examination are allowed to

(/)

➢ The Odd Semester (I/III/V/VII) Re-Examination shall be held in the first and second week of

July and the Even Semester (II/IV/VI/VIII) Re-Examination in the first and second week January.

➢ Reexamination question paper will be for Total 100 Marks THREE hours duration based on

entire syllabus. All students who attempt re-examination will have one grade penalty and cap of

B grade.

➢ Remedial lectures can be conducted for students having attendance between 50 75% and/or

failed in End Semester Examination. These lectures shall be completed before start Special/re-examination.

Filling the examination form for Special and Re-examination is the responsibility of student. Due

to any reason if student does not fill the form then he/she will lose that attempt and student can

NOT claim an extra attempt in next exam.

The information related to course evaluation can be found in the following excerpt taken from the academic rule book.
